

MA THESIS SUPERVISOR

[Dr. S.B. Ybema](#)

Thesis supervision on crisis and organizational change, cross-cultural communication, identity and power, and a variety of other issues, such as friendship at work or employee theft. In 2011-2012 I will only be able to supervise one or two students (preferrably those who are ambitious and share my interests) and, if anyone is interested, one thesis on new business and cross-cultural collaboration in Myanmar.
