

# Welcome to VU Amsterdam

A socially distanced university

## Basic rules to keep in mind

**Do you have symptoms?  
Stay home and get tested**  
If you or your roommates are short of breath or have a fever, you must all stay home

**Wear a face mask when moving around in the VU buildings**  
The face mask may come off when you sit down

**Avoid crowded places**  
Do you need to use public transport? Plan your trip carefully and stick to the rules

**Work and study from home as much as possible**

**Keep a distance of 1.5 metres**  
When it's difficult to maintain distance from other people: give others space by leaving

**Wash your hands often and cough and sneeze into your elbow**

## The following rules apply on campus

- ✓ **Only come to the campus for approved activities**  
Working or studying from home is not an option
- ✓ **Only use main entrances**  
Hand sanitizer is available at these entrances
- ✓ **Use your employee card to check in when you enter a building**  
Don't forget to check out when you leave
- ✓ **Head straight to where you'll be working or studying, follow the instructions and stick to the walking lanes**  
When you pass others, keep to the right and avoid unnecessary contact
- ✓ **Stay in your own work or study area as much possible**  
Don't go anywhere on campus unless you need to be there
- ✓ **Don't stay on campus longer than you need to**

These measures are in addition to the campus safety regulations already in force. In case of emergency, call 22222 or 020 598 2222

## Together, we'll get corona under control

At VU Amsterdam, we behave responsibly and give each other space
